Request for the issuance of a certificate of inspection

Actual quantity of the product on stock (physical stock before the current sale, considering previous sales as organic or conventional).	
Remarks	

Please enclose copies of the following documents

- Invoice and delivery note (may be draft version) for the outgoing goods
- Invoice, delivery note, producer/processor certificate and COI for the incoming goods (additional purchase from other suppliers/internal deliveries)
- Seal list, if applicable
- Phytosanitary documents (NOP)
- Indian Tracenet TC (NOP from India)

- For exports to the EU, Switzerland and UK: for 10% or 20%(calculation period 01.01.-31.12.24) of all consignments of each concerned product** (for concerned products, ref. EU increased control measures), export consignment sampling by bio.inspecta has been ordered with document No. 25_053.
- For exports to the United States of America:** For grain, oil seeds, and products of these (like sunflower meal) from one of the following countries: *Armenia, Bulgaria, Georgia, Kazakhstan, Moldova, Romania, Russia, Turkey, or Ukraine*, sampling by bio.inspecta has been ordered with document No. 25_053.
- For exports to the United States of America:** For soybean meal from India, sampling by bio.inspecta has been ordered with document No. 25_053.

Please keep in mind that APHIS requires fumigation at the border for certain commodities. This will lead to a declassification of the products. For certain commodities APHIS prohibits the import at all. This list changes very often. Therefore bio.inspecta recommends to clarify the current situation with the buyer in the USA.

**Please submit this request with all attachments by email to:
International@bio-inspecta.ch**

With your signature you confirm that:

- The above mentioned information is complete and truthful and that the consignment concerned has been produced and/or prepared in accordance to the requested standard, for EU Article 33 of Regulation (EC) No 834/2007 and for NOP in accordance with the USDA National Organic Program NOP.
- The consignment will not leave the country of export or origin before the requested COI has been issued.
- The TC or NOP import certificate request has been submitted before shipment of consignment.
- In case of provisional information in this request, actual information and delivery note will be provided to bio.inspecta for verification and updating in TRACES within 10 days from the issuance of the COI and, in any case, before customs clearing in the EU.
- One COI is requested for each consignment (according to Reg. (EU 2021/2306, Article 2(1) 'consignment' means a quantity of products under one or more Combined Nomenclature codes, covered by a single certificate of inspection, conveyed by the same means of transport and imported from the same third country).

Date and place:

Name, stamp and signature

Please note:

- On weekdays, Certificates of Inspection are issued:
 - the same day if complete application arrives before 12.00am (CET) – not more that 5 request per day for one client.
 - the next day if complete application arrives later than 12.00am (CET)
- Certificates of Inspection for which sampling and analysis are necessary are issued as soon as a negative analysis report is received. This will usually take 5 to 7 working days.
- On Saturdays and Sundays no Certificates of Inspection are issued.
- Incomplete requests will be rejected and the new request must be submitted with completed information / attachments.
